

# Boogie Down Productions Lyrics

## "Exhibit B"

[unknown speaker]

History can never be made by one man, we must smash this one quickly

History is made only by the masses of the people, this is clear

Even a cursory glance at the falasfallacious presentation

Of history by the american capitalist system, will demonstrate just this

Take george washington, as bad as he is

Put him in the middle of valley forge, by himself, surrounded

By the british, he can do nothing

\*laughing and applause\*

Mhmhmmmmhmm

Take martin luther king as righteous as he is

Put him in the middle of birmingham by himself, speaking out against racism

He would be lynched

But you take this same king, you take this same washington

Put them in valley forge, put them in alabama

Surround them with thousands of people who have the same ideas they do

Willing to make those ideas reality and the situation changes drastically
